

Time

Time Clock

Reads RFID / PIN

The complete and convenient solution

to manage your workforce and take back control over time.

With a flexible combination of punching, scheduling, handling timesheets and reports. It's time for clarity.

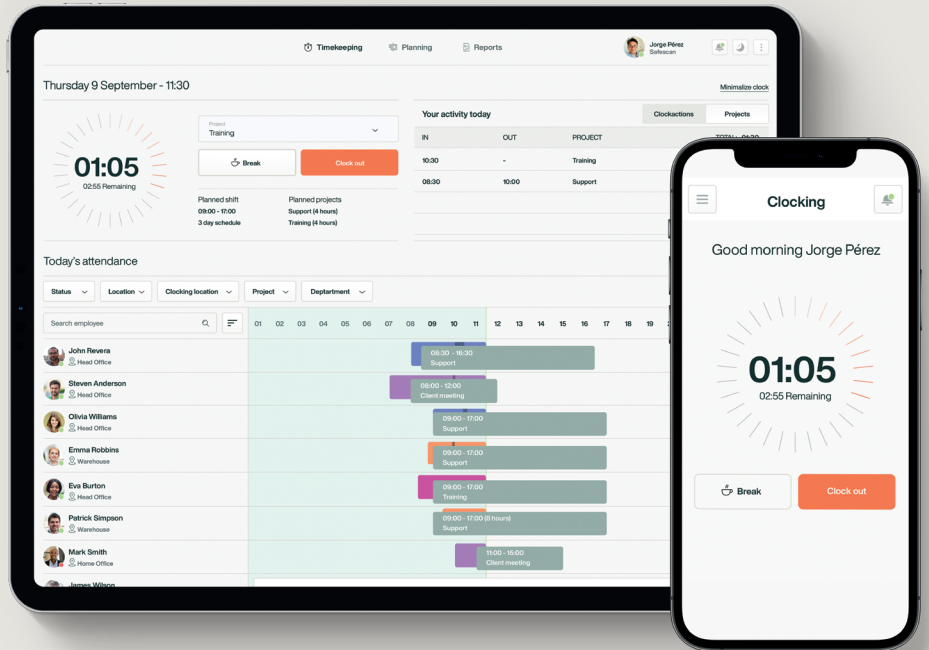

TM-616 is perfect for smaller to medium-sized businesses with up to 200 employees and can store up to 10,000 time logs. Whether you are working in manufacturing, hospitality, or retail. TM-616 is all-industry-suited. Perfect for when you want to register and manage work time more efficiently. The clockwork seamlessly blends into every working environment. The intuitive design also assures easy punching with convenience. Whether it is with an RFID Badge or a personal PIN code. Empower your employees.

Punch in and out within a matter of seconds. A widespread technology and a reliable way of identification. Guaranteed plug and play with an easy installation guide. 3-year warranty included. From German to Spanish. We support over 10 languages worldwide. And counting. Take back control.

Punch in. Punch out. That's all.
